Dear Mr Hindmarch

Thank you so much for your wonderful donation of £500 and for choosing CRY as your charity to benefit from the recent Isle of Wight Kayak event.

At least 12 apparently fit and healthy young people (aged 35 and under) die suddenly each week from undetected heart conditions.

CRY aims to prevent these tragedies by raising awareness of the conditions that can lead to young sudden cardiac death and through a subsidised screening programme in local communities, schools and sports clubs.

Please accept this letter as our official receipt.

Yours sincerely

Sue Kelly
