Dear Sir/Madam

On behalf of Cancer Research UK I would like to thank you for your very kind donation of £2,000.00 in October 2007. We are very grateful for your continued support of our work at this time. Please accept this letter as your official receipt.

As you are aware, Cancer Research UK supports research teams across the UK who are dedicated to improving our understanding of cancer and investigating how best to prevent, diagnose and treat different forms of the disease. They are also finding ways to improve the quality of life for cancer patients.

Investment in new cutting edge technology ensures that we are at the forefront of cancer research and that the latest research developments are translated into better treatments for patients as quickly as possible.

We would be delighted if you were able to support us again, and please feel free to contact me or your Area Volunteer Manager, McNeil, Marie at the above number if you would like any further information about our work.

Thank you once again. Together we will beat cancer.

Yours sincerely
