Dear Mr. Garton,

I would like to extend a very warm thank you for the cheque of £2,000 we received from Best of the Best Plc.

The Cavitron Fund provides and maintains hi-tech equipment for use by consultant neurosurgeons, permitting them to remove tumours of the brain and spinal cord with such accuracy and speed that many hundreds of lives have already been saved as a consequence.

This Neurosurgical Unit serves the whole of Devon and Cornwall, where the population doubles during the holiday season, and enjoys an excellent reputation for this relatively new branch of surgery.

Yours sincerely,

Michael Turner
