Dear Best of the Best

Thank you!

Many thanks for your generous donation of £1,000.00 which you collected after successfully completing the 2009 Royal Parks Half Marathon. I trust that you enjoyed being part of the 160 strong MS Team, it was a tremendous day and we really do appreciate your efforts in making it a success.

Relying as we do on voluntary contributions, your sponsorship is vital in helping the Society continue to support people affected by multiple sclerosis. Funding research into the cause, cure and symptoms of MS and providing essential information, support and specialist care.

We are now in the 2nd year of our new five year strategy, 'Putting the pieces together to beat MS' which builds on our continuing work to improve the lives of people affected by MS. Over the next five years we will increase our research effort, maintain high standards in information provision, enhance our support for those affected and exert more pressure to raise standards of care for people with MS.

We exist to improve the lives of all those affected by MS, but it is through the support and commitment of individuals such as yourself, that we are able to achieve our goals. On behalf of the MS Society, thank you.

With best wishes
