Dear Patrick,

I am writing to thank you for your very kind donation of £2,500 raised through your Supercars promotion. Thank you for choosing The Prostate Cancer Charity as the beneficiary charity and please extend our thanks to all those who were involved.

Your support will be put to very good use in our fight to improve the quality of life for those affected by prostate cancer, through raising awareness and funding research.

If you would like any further information regarding the work of the Charity, please do not hesitate to contact me on 020 8222 7645 or verity.vincent@prostate-cancer.org.uk.

Best regards,
