Dear Rupert,

On behalf of Save the Children I would like to offer my sincere thanks for your generous donation of £500, which you made in March 2009. Your support allows us to continue helping some of the world's most vulnerable children.

In 2009, more than nine million children will die before they reach their fifth birthday from preventable diseases. As part of our *New Born and Child Survival* campaign, we are calling for national and global action to reach Millennium Development Goal 4 – to cut child deaths by two thirds by 2015. We plan to significantly contribute to this by putting child mortality rates on the local, national and global agenda. We will focus our efforts where the problem is most acute and where we can make the biggest difference – particularly in China, Ethiopia, India, Nigeria and Sierra Leone, but also in 16 other countries around the world. By targeting the poorest and most marginalised children and mobilizing 10 million people to take simple actions, we aim to save 2 million children by 2010. We couldn't do this without your help.

Save the Children aim to deliver immediate and lasting improvements to children's lives in the UK and world-wide. We are incredibly grateful for your support and thus for allowing us to achieve our goals. Please accept this letter as an official receipt of your donation. If you have any questions or would like to learn how your company could further support our work, please contact Corporate Partnerships team on 020 7012 6415.

Thank you once again for enabling us to achieve dramatic change for children.

Yours sincerely,

Jenni Immarjen
