Thank you for your recent generous donation of £500.00 to UNICEF's Haiti Children's Emergency Appeal. Please accept this letter by way of a receipt and pass on our thanks to everyone in your company who contributed to our emergency appeal.

On the 12th of January a devastating earthquake hit Haiti. Early reports indicate a large number of casualties and widespread damage. Children have been killed and injured, and many are in desperate need of clean water, shelter and medical help.

UNICEF will be working on the ground in Haiti, delivering supplies and protecting the rights of children affected by these emergencies. Your donation will help UNICEF to ensure that families have access to shelter, safe water and basic health care.

For more information about this emergency and our response, please visit our website at www.unicef.org.uk/emergency or contact our Help Desk by email helpdesk@unicef.org.uk or phone 0844 801 2414.

Your company's generosity both in the past, and now during this time of emergency, is very much appreciated.

UNICEF receives no funding from the United Nations Budget and is funded entirely by voluntary contributions. **Thank you** once again for your generosity in choosing to support UNICEF's Haiti Earthquake Children's Appeal.

If you would like further information on fundraising in your workplace, please don't hesitate to contact me directly.

Best wishes
