Dear William and the Team at Best of the Best,

I wanted to write and thank you for the absolutely wonderful donation of £2000. Your support of Kids Company is incredibly meaningful to all of us here, and is an inspiration to the staff. Thank you so much for thinking of us.

We provide emotional and practical support to many thousands of immensely vulnerable children, but we can't do this alone. The dedication and kindness of people like you allow us to build on the solid foundation of support we provide for children who have experienced horrific levels of neglect and abuse.

Thank you so much for your friendship and your generosity. The staff, the children and I are hugely appreciative of the depth of your understanding and thoughtfulness.

With kind regards,

Camila Batmanghelidjh
